

We invite you to join us for Early Catholic Family Life (ECFL)! This program will connect you with like-minded parents in a welcoming and supportive environment and deepen your relationship with your child. It will also offer you the best in child development and how to teach the faith to your little ones!

ECFL has been created specifically for families with children age 0-5 and warmly welcomes new families. Each session facilitates parent-child interaction, parent discussion time and children's learning time.

At ECFL, we believe that a child's first and most important teachers are his or her parents. Our mission is simple-connect parents with their peers and empower them to raise their children optimally in the faith.

We are excited to bring this opportunity to our parish and hope that you will join us!
