

Northfield Knights of Columbus – Book/Supplies Scholarship Application 2018

The Knights of Columbus is an international Catholic men’s group and fraternal benefit society founded in America in 1882 by Father Michael J. McGivney. The Knights strive to be active members of their local parish and solid citizens of their city and country. Their charitable and service contributions of time and money are recognized around the world.

The Northfield Knights of Columbus Council 1516 of St. Dominic Parish and Annunciation Parish, Hazelwood, will be awarding a \$500 book/supplies scholarship to three High School seniors from either parish who will be attending a post-secondary school, and who seek financial assistance. Knowing that the purchase of books and supplies to support the education process is an expensive out-of-pocket component of post-secondary education, this award will be available for ***the second semester of the first year.***

In choosing recipients, the Scholarship Committee will consider the applicant’s parish, school, and community involvement in addition to the goals anticipated after High School. Please use the questions on the next page to articulate your responses. The completed application form must be submitted to your pastor, parish office, or the Northfield High School Guidance Office by Friday, April 6, 2018. The scholarship recipients will be announced at the Community Scholarship Awards Program on April 25, 2018.

If you have questions regarding this scholarship, please contact Dave Miller, Scholarship Committee Chair, at 612-423-1905.
