

## "Cool Cash for Education" Drawing

Here's how it works. Purchase a ticket for \$100 and get a button of thanks produced by the children of St. Dominic's! This button is your chance to help the school and get a chance to help yourself to some cool cash. This is a progressive drawing! That means the more we sell, the bigger the prizes. Watch as our Prize Thermometer goes up and your chance at cool cash goes up with it.

The starting prize level is 150 Buttons with Cool Cash payouts of:

Grand Prize: \$2,000

Runner Up: \$1,000

Next 10: \$100

This equates to a \$4,000 payout and \$11,000 to the school.

From 150 to 200 buttons, for every 10 buttons sold we will add a \$200 winner.  
200 buttons equates to \$5,000 payout and \$15,000 to the school.

From 200 to 250 buttons, for every 10 buttons sold a \$500 winner will be added.

From 250 to 280 for every 10 buttons sold a \$750 winner will be added.  
280 buttons equates to \$9,750 payout and \$18,250 to the school.

From 280 to 300 buttons the grand prize will double to \$4,000! But only if we get to the Magical 300 number. This equates to a \$11,750 payout and \$18,250 goes to the school. Note: on the last 20 buttons, if all 300 buttons are not sold all proceeds over the 280 button level go to the school.

If 280 buttons are sold there would be the payout is as follows:
